

Powder room vanity ideas – 10 ways to bring a sense of order to this small space

Bring order to your powder room with a vanity unit or washstand for your basin

BY SOPHIE WARREN-SMITH 2 DAYS AGO

Powder room vanity ideas are a useful addition to any design because they combine basins and storage space in a single piece of furniture.

From wall-mounted to floating and freestanding designs, powder room vanity ideas come in a range of styles so they are an easy way to bring some individuality to your space, whether big or small.

If you are nervous about bringing color and pattern into your powder room or you don't know how, a bold vanity can be a perfect jumping off point.

2. GO FOR SOMETHING ENTIRELY DIFFERENT

'We love to retrofit furniture that isn't intended as a vanity for powder rooms,' says Caroline Brackett, founder and principal interior designer at [Caroline Brackett Studio of Design](#). This is an example of a chest of drawers that we had plumbed to serve as a vanity. Also, even though it takes more time, thought, and planning, we love wall-mounted faucets with a vessel sink. It is that extra effort that often sets good design apart from the rest and makes it more special. And, as always, a beautiful statement wallpaper is always a must in our powder rooms!'
